Disciplines List

Nursing

Modality

Face-to-Face

Catalog Description

This course provides an opportunity for practice and mastery of nursing skills necessary for safe patient care. It uses multimedia materials, computers and instructor assistance to improve the skills needed and is directed to students needing a review of nursing procedures. Students must complete at least 1 hour and a maximum of 54 hours to pass the course.

Schedule Description

This course guides the enrolled student to develop competence and confidence in the performance of nursing skills, through repetition and with instructor support, at times convenient to the learner. Students receive a Pass grade with a minimum of 1 hour spent in the laboratory and a maximum of 54 hours. Limitation on Enrollment: Acceptance and enrollment in a nursing or health science program (HHA, CNA, LVN, RN)
