Students enrolled in courses they do not attend are responsible for enrollment fees and final grades if not dropped by applicable course deadline.

Petitions to drop past the established deadline are not accepted for courses not dropped due to lack of awareness of the withdrawal procedure or deadline. An online Course Information Report is available to provide all pertinent course deadline information.

---

### REFUND POLICY

Refund deadlines vary for classes during each summer term. To qualify for a refund, a student must officially withdraw from the class by the Refund Deadline date on page 5.

Refunds, less a $10.00 processing fee, will be processed automatically beginning July 24, 2023 and will either be mailed to the student's address on file with Admissions and Records, or returned as a credit to the credit card from which fees were originally paid. See Refund Policy in the Course Catalog for more information. Refunds of less than $10 will not be processed and must be requested in person from the Bursar's Office.

### REFUND DEADLINES:

A community college district shall not refund any enrollment fee paid by a student for program changes made after the first two weeks of instruction for a primary term-length course, or after the 10 percent point of the length of the course for a short-term course, unless the program change is a result of action by the district to cancel or reschedule a class or to drop a student pursuant to subdivision (l) of section 55003 where the student fails to meet a prerequisite.

## Student Registration is Changing

College of the Desert is transitioning from WebAdvisor to Self-Service for online student access. **Beginning Summer 2023,** students will use Self-Service to add/drop courses, add themselves to waitlists, and utilize the add authorization process to enroll in closed courses. Important information on Self-Service has been placed in the student portal.

Students will still register according to their registration priority in the student planning area of Self-Service. An instructional video can be found on the student portal.

Using the waitlist feature allows students to be automatically enrolled if an open seat becomes available and the student meets all registration requirements. Students will be able to add themselves to a waitlist for courses that they are not already enrolled in. For example, if you would like to waitlist for a course, you cannot be enrolled in a different section of that course.

Add Codes were previously used via WebAdvisor to enroll in courses that are at capacity or when the course session has already started. The add code process is being replaced with Add Authorization via Self-Service to add a course during the *Add Authorization period*.

In Self-Service, once the student receives instructor approval to add a course the authorized section will have a blue "Authorized for Add" flag on their schedule. When a student receives instructor approval via Self-Service to add a course, the student will need to click the Register button to finish registering. Registration will process assuming all prerequisites and holds have been cleared.

Also, students should make sure to drop a course they have decided not to attend. Faculty are no longer required to drop during the semester. Not dropping a course will result in an FW grade.

### What Is Work Experience?

A course that allows students to apply their education to the real world. Students create and accomplish three measurable learning objectives that are new and/or expanded responsibilities at their workplace. This ultimately empowers students to become better employees, work on new projects, add to their resume, and enhance their job skills. All students who currently work, volunteer, intern, or that have a student worker or federal work-study position are eligible. Units earned are transferrable to the CSU system and the class fits easily into the student's work and school schedule. Students may enroll in General Work Experience or an Occupation course.

### General Work Experience (WEG-095A)

Students may enroll in **General Work Experience (WEG – 095A)** if the student's current position **does not** relate to their occupational/ educational goal. Students can earn **1 - 5 summer session units** of General Work Experience (if hour requirement is met, see below). All General sections will be listed under Work Experience.

### Occupational Work Experience (XXX-095A)

Students may enroll in an Occupational course if their current positon **does** relate to their educational/occupational goal. Occupational courses vary depending on student's major and are listed under the corresponding academic program as (XXX – 095A), i.e. CIS-095A, BUMA-095A, FIRE-095A, etc. Students may earn **1-5 summer session units** in any occupational work experience course (if hour requirement is met, see below).

Participating students must complete three required EDGE courses to prepare for college and college-level coursework. Students will enroll in the following three non-credit courses via self-service in order to be eligible for plEDGE:  English EDGE (ENG-300), Math/Statistics EDGE (MATH-300 or SOC-300), and Student Development EDGE (COUN-300).

### Student Education Plans (SEP)

Did you know that the Student Success Act of 2012 (SB 1456) requires students with 15 degree applicable units or three semesters of attendance (whichever comes first), to have an SEP in order to receive priority registration.

In compliance with this law, students that meet those conditions and do not have an SEP will have to register much later than other students during Open Enrollment.

If you need more information about the SEP process, contact the Counseling Center at 760 773-2521.

### Student Computer Literacy and Access

One of the institutional outcomes for all COD students is technological literacy. As such, any class may be web enhanced and might require access to online sites such as Canvas, MyMathLab, MyLab, or the textbook publisher's website for assignments, testing, homework, etc. Internet-ready computers are available in a variety of locations, including the Tutoring and Academic Skills Center (TASC) and Library.

### WebAdvisor or Self Service?

College of the Desert will be transitioning to a new way of registering and making changes to your class schedule.

Self Service will be available for Summer and Fall registration.

Check out the information on page 7 of this class schedule. Watch the COD website for more details.

### COD is a Smoke Free Campus

College of the Desert and all of its campuses are smoke-and tobacco-free. At the request of the Associated Students of College of the Desert, the College's Board of Trustees adopted Policy 3570 on July 19, 2018, which bans smoking, vaping and all tobacco products.

This policy applies to all students, faculty and staff and includes all activities occurring on the College's campuses, including the weekend Street Fair.

Anyone who needs help quitting tobacco can call 1-(800) NO-BUTTS, visit www.NoButts.org, or go to Student Health Services to obtain smoking cessation information.

Whether you are a smoker or a non-smoker, College of the Desert knows that the campus community will demonstrate thought-fulness, consideration and cooperation as we work together to successfully implement this new policy.

## Student Education Plans (SEP)

Did you know that the Student Success Act of 2012 (SB 1456) requires students with 15 degree applicable units or three semesters of attendance (whichever comes first), to have an SEP in order to receive priority registration.

In compliance with this law, students that meet those conditions and do not have an SEP will have to register much later than other students during Open Enrollment.

If you need more information about the SEP process, contact the Counseling Center at (760) 773-2521.

The symbol (▶) in front of a section number (▶1942) denotes an off-campus class.
