Hi Kristen,

It looks like we will need to prepare 7 SLO survey monkeys. Is that accurate? If yes, then proceed to create, and we will meet in terms of a timeline. Thank you, Dr. Nery

Hi Dr. Nery,

Of the 13 prioritized fall 2020 courses, 10 courses remain in need of assessment. I spoke with Sarah & Corbyn this afternoon to review this list and I made note of 3 additional priority courses they know are "in progress." This brings us to 7 courses. Sarah will be following up again with instructors this week. I reiterated that minimally the assessments need to be started in eLumen to prevent a Survey Monkeys from being sent out soon. Early next week, I will ask if any others have made progress and will update you.

Fall 2020 courses: No record of assessment (fall 2017 - fall 2020)

Department	Subject	Course	Last Assessed	Source	Priority
Applied Sciences	AJ	AJ-008	In progress - S Fry	eLumen	Yes
Applied Sciences	ARCH	ARCH-001			Yes
Applied Sciences	DRA	DRA-011			Yes
Applied Sciences	NR	NR-004			Yes
Applied Sciences	NR	NR-051C	FA/20	eLumen	Yes
Applied Sciences	RED	RED-010			Yes
Arts & Media	ART	ART-025B	Cancelled for FA/20	S. Butler	Yes
Arts & Media	ART	ART-033			Yes
English	ENG	ENG-015	In progress - C Voyu	eLumen	Yes

Science	PH	PH-011			Yes
Social Sciences	ANTH	ANTH-001L	SU/20	eLumen	Yes
Social Sciences	PSY	PSY-027	In progress - S Fry	eLumen	Yes

Beyond this priority list, there has been improvement on the other fall 2020 courses in need of assessment. Please see the excel attached - 24 courses remain and we stand at 95% assessment completion.

Thank you,

Hi Dr. Nery,

I plan to follow up with you after my meeting with SLO coordinators on Tuesday afternoon to provide a progress report on fall 2020 assessment completion. I believe there are a number of assessments that have been started in eLumen by instructors, but will need to confirm with Sarah & Corbyn.

Thank you,
