8. Communication from the floor:

Public comment: Most of us don't check our school emails and announcements, we need personal interactions with the actual people hosting the events. It would be a higher probability of us attending an event if we felt a connection with the people who organized it.

DJ Nunley: Make sure to be mindful of your timing, when preparing to complete and turn in your Event Proposal. Always leave room for error, you don't want to have to reschedule your event because your Event Proposal wasn't approved on time for your event.

9. Adjournment: 3:31 pm
