# WHY FIDM?

## ACCREDITATION

FIDM is a WSCUC- and NASAD-accredited, specialized, private college located in Los Angeles, California.

## INDUSTRY PARTNERSHIPS

Our Industry Partnerships are with some of the world's most recognizable and influential brands. Via Classroom Partner Projects and FIDM SuperLabs™, students generate innovative design and business solutions for companies like Nike, L'Oréal, Pottery Barn, Warner Bros., Disney, GUESS, and Kiehl's, giving students the opportunity to collaborate with companies and put what they're learning in the classroom to work.

## CAREER DEVELOPMENT

Part-time work and internships with companies like *BuzzFeed*, Sephora, Mattel, Dolce & Gabbana, and Victoria's Secret go hand-in-hand with the curriculum. Our Career Advisors work one-on-one to match students with the best career opportunities while they're in school and after they graduate, including access to our alumni job search database with nearly 8,000 job postings annually.

## TRANSFER OPTIONS

We have many majors open to qualified Transfer Students, from Digital Marketing, Design, and Business Management, to our Creative Industry Studies B.A. with 10 core concentrations and our creative industry-focused MBA program. For more information visit [go.fidm.edu/transfer](http://go.fidm.edu/transfer).

## FACULTY

FIDM Instructors are unmatched in their expertise and their commitment to educating a new generation of professionals. In selecting the best possible faculty, we consider academic excellence and practical experience, so our students get the benefit of both. Many of our instructors maintain dual careers: as FIDM Instructors and as active specialists in their fields. They bring their daily exposure to these industries back into FIDM's classrooms, studios, and labs for the benefit of our students.

## STUDENT LIFE

A student population of 2,400 from around the world enjoys the benefit of a variety of student organizations and activities on campus.

## STUDY ABROAD WITH STUDY TOURS AND EXCHANGE PROGRAMS

We specialize in intensive, short-term Study Tours, study abroad experiences that combine opportunities to learn from industry professionals, foster cultural enrichment, and provide an overview of global design industries that relate to FIDM programs. Some Study Tours are built directly into the curriculum, while others are optional and open to all students or to specific majors.

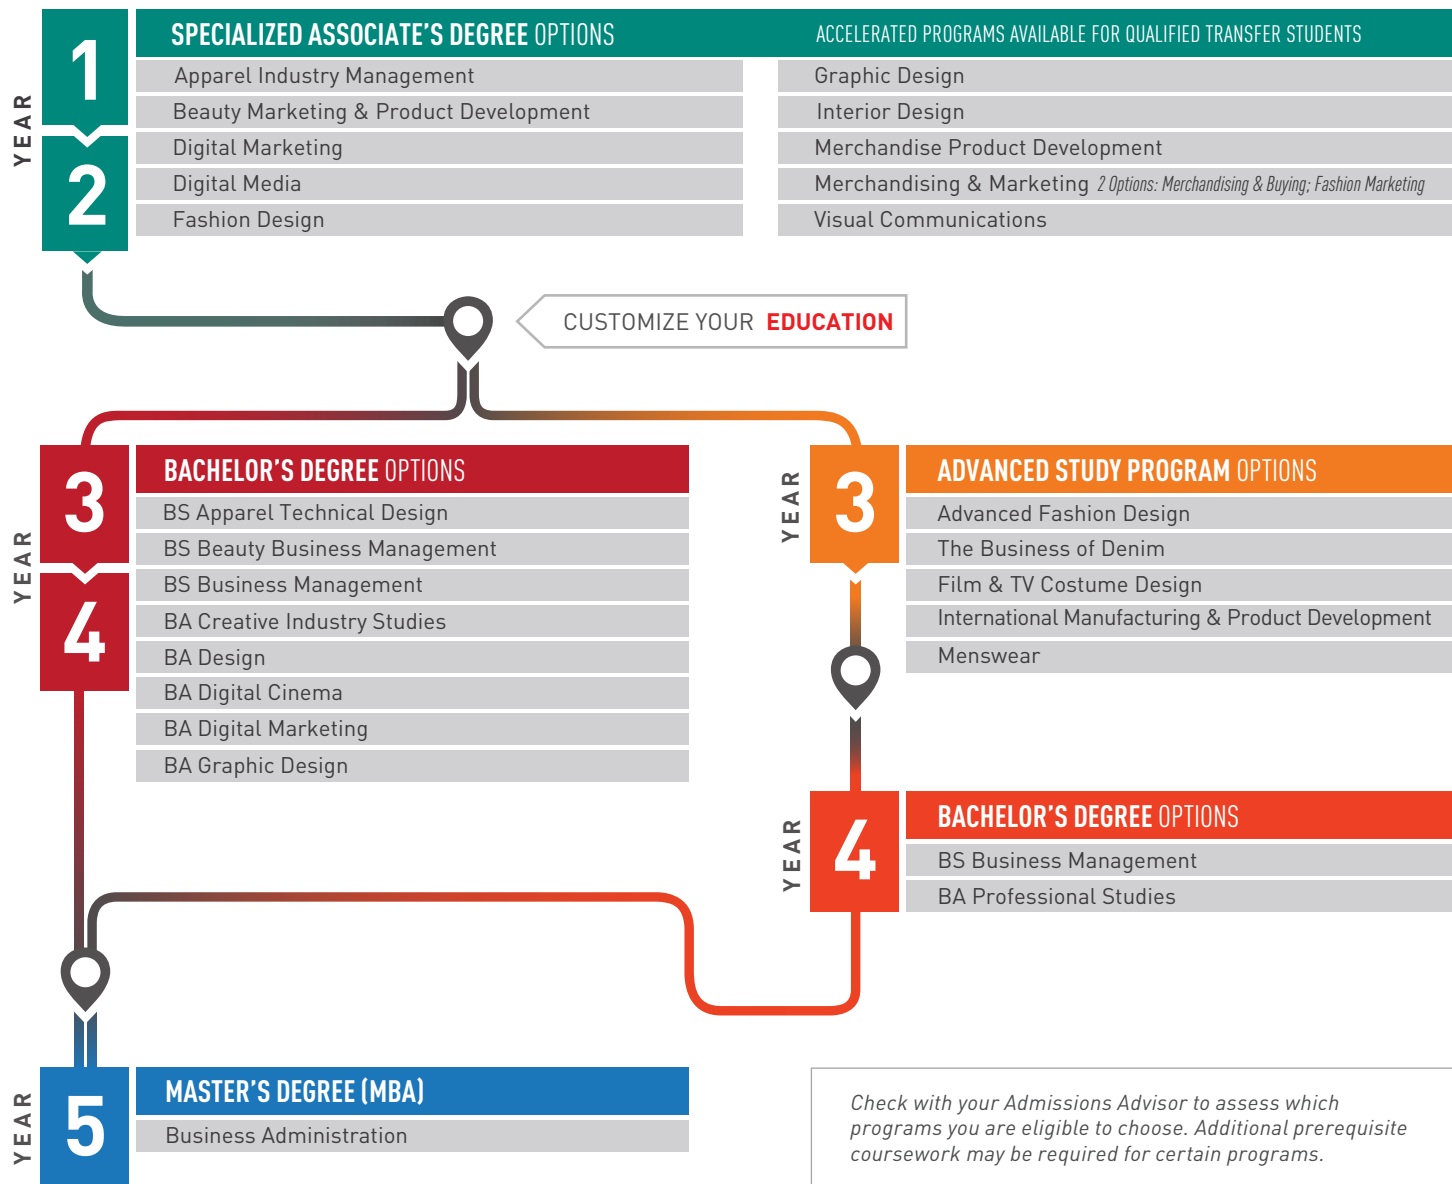

Students may participate in an Exchange Program to spend a term living abroad studying at one of our partner institutions in cities such as Rome, Copenhagen, London, New Delhi, and more.

# DEGREE OPTIONS

FIDM is dedicated to educating students for careers in design and creative business in the Fashion, Interior Design, Digital Arts, and Entertainment industries. We are a 4-year college offering Associate of Arts degrees, Bachelor's degrees, Advanced Study programs, and a Master of Business Administration (MBA) degree.

Try out our Degree Path Tool to explore your options: [go.fidm.edu/degreepath](http://go.fidm.edu/degreepath)

Programs are subject to change.

# FINANCIAL AID & SCHOLARSHIPS

## FINANCIAL AID

Eligible students may apply for all federal financial assistance programs at FAFSA.gov. California residents: FIDM is an approved college for Cal Grants A, B, and C.

## SCHOLARSHIPS

Scholarship money is available for new and current FIDM Students. Scholarships are offered based on a varying combination of qualities such as academic merit, financial need, industry experience, artistic achievement, and club affiliations.

Scholarship recipients are expected to be particularly strong and positive leaders while in attendance at FIDM, excelling academically and representing FIDM well within the community. Many scholarships are determined through review of Admissions application materials. Certain competitive scholarships have additional requirements.

Scholarships are subject to change. Some scholarships are awarded for the first year only. Many scholarships are renewable for up to 4 years by maintaining a 3.0 GPA, consecutive attendance, and 12 units quarterly at FIDM. Students may qualify for more than one scholarship but not to exceed the cost of tuition, books, and supplies.

For details about FIDM Scholarships, including eligibility requirements and renewability, visit [go.fidm.edu/scholarships](http://go.fidm.edu/scholarships).

# HOUSING

Acclimate to college life and a new city, meet new friends, attend fun events, and network with other students with our Housing options.

## FIDM STUDENT HOUSING

While Student Housing is not a dorm, we do manage the individual units within the privately owned and operated apartment properties. All housing units are 2-bedroom, 2-bath premium apartments and conveniently located. Private rooms are available at double the cost.

Resident advisors live on-site and regularly visit each unit to help students transition to living with new people, learn about FIDM's resources, appreciate diversity, and respect the housing policies.

To apply, simply complete the Housing Application online, pay the fees, and move in. Units are fully furnished with utilities paid, making the transition to FIDM much easier!

For additional information about the quarterly Student Housing fees and other aspects of FIDM Student Housing visit [go.fidm.edu/housingFAQs](https://go.fidm.edu/housingFAQs).

## INDEPENDENT LIVING

For students who want to live independently, we have apartment referrals. Those looking for roommate referrals can find them via the FIDM Portal for accepted students.

## LEARN MORE

Whether you're planning to live in Student Housing or independently, the FIDM Housing Office can help you find the options tailored to your needs.
